

"WHO'S BEHIND THAT MASK?"

a community-spirited name game born from pandemic protocol
of wearing face masks as a new way of living

As you're approaching someone out-on-the-town, do you wonder who's behind that mask?
Do you focus on their eyes, wondering if you should know that masked someone?

You'll likely know these 20 masked community leaders!

The question is, could you put a name to that face? Many of the photos were submitted before Phase 3 when hair salons reopened, so a shaggy look adds a bit more mystery to their identity.

Give it a try! Have some fun! - \$5.00 of fun for Light Hill! You've probably encountered these leaders from the Canandaigua area in some way or another. They represent local business, community organizations and agencies from the city, town and county. There are more leaders listed in the name bank than photographed, and we're grateful to all for their participation in support of Light Hill / Canandaigua Comfort Care Home.
